AMERICA NOT YET IN.

Agents Anxious About the Brazilian Warship.

They Say She Has Not Yet Joined Nictheroy.

The Joined Nictheroy.

The General Committee appointed at the anti-Tammany conference at the Union Square Hotel will meet at the same hotel on Monday evening to hear the report of the sub-Committee of Ten on Mass-Meeting.

The latter committee, at a meeting this afternoon, will prepare its report. Well-known men in the city.

The list of speakers and vice-presidents will include some of the best known men in the city.

The Young Men's Democratic Club, of the Ninth Assembly District, has elected for the interval of the port in the Windward Islands where Nictheroy is now waiting, at least two days ago, but has not yet been heard from, at least that was the statement made at Flint & Co.'s this morning.

Nictheroy started southward on Nov. Nictheroy started southward on Nov 22. and America four days later. The

former was to proceed slowly, however and Minister Mendonca expected Amer reached. There has not been enough has been a great deal of speculation about what might possibly have oc-

Mello's agents might have succeeded in shipping enough men on America to capture her at sen. In that case it is argued she would go direct to Rio Janeiro, expecting to find Mello there.

Representatives of Flint & Co. redicule this, however, and say that America will no doubt be heard of shortly.

The steamer Santuit, which is to take Destroyer in tow to Brazil was at anchor

nis land batteries, the crew of Santuit is convinced that the greater part of it is for that purpose.

Aft. C. At. Each returned this morning from Providence, R. L., where he had been for several days arranging with the Hotchkiss people for ammunition for Pelavot. The length of his trip and the fact that the Hotchkiss factories are working night and day are taken as evicunce to the hotchkiss factories are working night and day are taken as evicunce to at another vessel loaded with guns and ammunition will be sent to Brazil as soon as possible.

It was announced to-day that the Santuit will take the Yarmouth torpedo boat on board this evening, and will then go to Erie Basin.

In the mean time the Destroyer is taking a trial trip down the bay, and if plans do not miscarry the Santuit, with the Destroyer in tow, will put to sea to-morrow morning.

The Destroyer started on the trial

that she married Tucker in Brooklyn in 1882, but that she was compelled to leave him and seek employment because he treated her cruelly.

She says that he spends all his money for drink, and oes not contribute to her or their children's support. After hearing the allegations, the Judge said the case was one for a police justice.

HABEAS CORPUS FOR WILLIAMS.

Judge Beach Will Investigate the Facts of His Arrest. Judge Beach, in Supreme Court, Cham-

bers, to-day isued a writ of habeas corpus for Robert G. Williams, who is now a prisoner in the Tombs.

The story of Williams's arrest and the causes leading thereto, will be found

on another page.

Judge Beach will in quire into the circumstances of Williams's imprisonment when the writ is returned.

PRESIDENT MACKEY SUED.

New York security and Trust Com-

pany Holds His Note for \$10,000. A suit has been brought in the Supreme Court by the New York Security and Trust Company against David J. Mackey, President of the Evansville and Terre Haute Railroad, to recover \$10,000 due on a promissory note made June 23, and remaining unpaid.
Maskey is a resident of Evansville, Ind., and Justice Beach in Supreme Court. Chambers, to-day signed an order for service in the action by publication.

Ex-Sheriff O'Briet Runs Opposition to the Grace Fairchild People.

There is another anti-Tammany Warhis new political movement, has formed an organization. Among its members John R. McNulty, ex-President of the Harlem Democratic Club; Andrew D. Parker, ex-Alderman Michael Duny, Only \$50,000 Sent, When Double Buildings Adjoining the Lehigh Valley

BIGLIN MAY BE DROPPED.

Republican Leader of the Fourteenth Not a Voter Here.

"Barney" Biglin, the Republican leader of the Fourteenth District, is likely to ceivers. hear something drop or be dropped himself when the Republican Investigating witz & Hershfeld, attorneys for the firm, runaway train, which had now almost homes in the Republican party at the

homes in the Republican party at the last election. A careful examination of the list of registered voters in the Fourteenth District fails to reveal the name of Mr. Biglin. He is not registered in the district of which he is leader.

Biglin does not even live in the district. He is a resident of Beliport, L. I. In 1892 he maintained a residence in the Fourteenth District just long enough to vote. Harry P. Mulvaney, the Tammany captain of the Eighteenth Election District of the Fourteenth Assembly District, where Biglin registered last year, would probably have challenged Biglin's vote if he had demanded the right of suffrage this year on the ground of non-residence.

The Republican Committees on Investigation and Reorganization will meet on Monday night. The former will probably be ready to make a report on Tuesday. A special meeting of the County Committee will be called to receive and consider the report.

CRYDER WILL GIVE HIMSELF UP

which Mr, Stein, the senior partner, had had accepted for the firm and its various branches.

The result was that the drafts had to go to protest, and the firm here was so much involved that a receivership was necessary in order to get its affairs out of the snarl into which they had been precipitated.

Mr. Hershfeld added that so far as the investigation of the accounts had gone, it had been found that the largest creditors of the firm were amply secured, and there was very little doubt that the business would be resumed when matters had been straightened out.

In connection with the failure Justice Beach, in Supreme Court Chambers, today granted the Gorman Bank, of London (limited), the British Bank of South America, and the London and River Plate Bank (limited), injunctions restraining any members of the firm of Abe Stein & Co., or its receiver, David Wile, from disposing of goods.

'Ine injunction further restrains them from collecting or paying or intermingling the proceeds with other funds of the concern.

His counsel is Daniel P. Hays, of the

coal train, loaded, at Green's Bridge, THE WARRANT WAS DEFECTIVE.

The engine then started backward at a terrific rate of speed, and at Stockton street crossing. Phillipsburg, crashed into the "Dorothy." the crew of which jumped when they saw the runaway engage of the computer.

John and Mary Alterstein, of Hoboster, were before Judge Beach, in SupremeCourt Chambers, this morning on a writ of habeas corpus.

The prisoners were arrested last

The 192 being the heaviest of the locomotives, succeeded in pushing the "Dorothy" back a distance of two miles, to
the Abbott street crossing South Easton,
where they collided with engine 41,
drawing an east-bound coal train.
Railroaders say that the engines came
past the Easton station at a rate of
fully forty-five miles an hour.

The wreckage is strewn along the
tracks for a great distance. Strange to
say, none of the engines left the track.
The crew of engine 192 cannot be found.

The crew of engine 192 cannot be found.

Broker's Wife's Disgrace.

Mrs. Ida White, the wife of Eugene White, a proker, living at Seventeenth street and Fourth evenue, and who has been arrested twice within an past two weeks for intoxication, was again a prisoner in the Jefferson Market Politic Court this morning. Policeman Pinn, of the Tender-Join Precinct, found her drunk and unmanageable at Fifteenth street and Slath avenue in court to-day she was as heretofore, elegantly freezed, and wore the diamonds which attracted so much attention at previous arraignments. She was discharged. he past two weeks for intoxication, was again

Ran a Restaurant for One.

Charles Perkins, nineteen, formerly emple at Wiesselmann's restaurant, 529 West Twenty ket Court to-day. He has been visiting his former place of labor surreptitiously. He let himself through a scuttle-hole in the mof Wednesday night and left the same way, it is believed, with the proprietor's overveat. Last night Ferkins came down the scuttle-hole again and was dis-covered by Policeman Moxley, of the West Twen-tieth street station, cooking himself a meal in the restaurant.

Japanese Studying the Silver Ques-(By Associated Press.)

DENVER, Col. Dec. 2—C. Nagasaki and C. Watanabe, the former representing the specie bank at Yekohama, and the latter the Imperial Bank of Japan, arrived here yesterday. They visited the United States to study the silver question.
